

FDNY MSOC 2022

May 12 - 15, 2022

9th Annual FDNY Medical Special Operations Conference

The FDNY, in partnership with the FDNY Foundation, is proud to invite all first responders to the 9th Annual Medical Special Operations Conference (MSOC). For the past ten years, MSOC continues to be the conference that military, federal, state and local medical responders attend to share their experiences, best practices and ideas. Each year, MSOC continues to evolve to include current hot topics, latest medical technological updates and recent case studies from around the world. MSOC takes place across four days and consists of workshops, lectures, panel discussions, hands-on skills scenarios and a vendor showcase with the latest equipment and products.

4 Day Package: May 12 - 15 (\$350)

- 2-Day Course or Two Pre-Conference Workshops
- WTC Ceremony
- Welcome Reception at the NYC Fire Museum
- Conference
